MESSAGE FROM THE CONVENER

The 2022 edition of the Physician of the Year (POTY) was held in partnership with Nigeria Medical Association (NMA), Guild of Medical Doctors (GMD), and Association of Nigerian Private Medical Practitioners (ANPMP).

The award was introduced three years ago by Premier Medical Systems to identify and celebrate doctors who had achieved and excelled in the current year. The overall objective is to inspire and motivate colleagues to achieve and attain greater heights in their individual practice and profession.

The 2022 POTY awards has 2 main categories: A voting and Non-voting category. 8 awards were given under voting category while 9 awards were given under non-voting category.

NOMINATIONS

The process commenced with nominations. Doctors were nominated for awards in the voting category by colleagues across the country. 3 nominees were shortlist for each awards under the voting category. The following are the awards under the voting category.

- Physician of the year (Public sector)
- Physician award of the year (Private sector)
- Physician of year (Diaspora)
- Young physician of the year
- Special recognition award for excellence in mother and child care
- Special recognition award for excellence in oncology care
- Special recognition award for excellence in surgical care
- Special recognition award for excellence in cardiovascular care

The awards ceremony which took place on Friday 9th December, 2022 at Hotel Ikeja GRA Lagos was a huge success. we specially appreciate all our partners and sponsors. We look forward to working together with you for POTY awards 2023.
